

Personal Care Solutions THE BETTER CHOICE

Earning the respect of those we serve
with high quality in-home services

- **Personal Care Services** – supportive services including supervision in the tasks of daily living, routine housekeeping, meal preparation, errands, bathing, dressing, feeding, exercise, transfers, companionship, and safety.
- **Homemaking** – assistance with dusting, vacuuming, laundry, meal preparation, grocery shopping home management tasks.
- **Live-in Service** – Assistance with the basic activities of daily living by a caregiver who remains in the home around the clock.
- **Bath Service** – assistance with bathing, dressing, ambulation, exercise and transfers. Change the bed, wash the bed linens, and straighten the immediate area.
- **Tuck-in Service** – similar to the bath service, only provided in the evening to get a client ready for bed.
- **Overnight** – provided an employee in the home for a 12 hour period through the night to ensure safety and piece of mind.
- **Medical Escort** – provides transportation and personnel escort to physician appointments or for other errands.
